NIS Dissemination in Department of Commerce

1. We received a telephone call today from Mr. Kareem Key, BIC/Commerce, advising that he is having some difficulty receiving published NIS because they apparently are misdirected within the BIC. According to Key, several recent sections have been received by people not cleared nor authorized to see them who have been reluctant to give them up. I believe it would be appropriate for you to see your people in Commerce soonest and check on security aspects of NIS handling there.

2. This has raised the whole question of proper addressees for the NIS within the Department of Commerce. On page 2 of the attached list -- Approved Dissemination of NIS to Non-USIB Government Departments and Agencies -- I have marked Bureaus and Divisions on which some clarification is needed with respect to appropriate and cleared addressees for the NIS sections cited. In addition to these, will you also determine the correct current address for NIS destined for Mr. Key; he suggests that they should be directed to the attention of Mr. R. S. Simpson.
